STAT

MEMORANDUM FOR THE RECORD

FROM:

PMS/OL

SUBJECT: A Bill Amending Title 10, United States Code, to Improve Program Stability of Major Defense Acquisition Programs by Establishing New Congressional Authorization Procedures and Improving Cost Schedule and Performance Control (H.R. 2239)

1. On 21 August 1989 the undersigned provided a preliminary review and comment on the above described legislation, a bill amending Title 10, United States Code, to improve program stability of major defense acquisition programs by establishing new congressional authorization procedures and improving cost schedule and performance control. There is nothing in the legislation that directly affects the Agency acquisition process. This legislation does not require close attention by OCA.
